Audition Script

Ruchi's Scene:

Sahil's family have visited Ruchi's parents. It's a typical arranged-marriage setup.

We can notice parents -- more excited than the kids who are supposedly would be marrying.

Chronologically, Ruchi & Sahil have already met throughout the prior week, before this official family-meeting. So, now Ruchi is agitated what's going to happen? Why Sahil is taking so much time, to inform his decision (YES/NO)? Why so much drama? Will they get married?

Ruchi's Dialogues:

Ruchi

Ruchi's Mother

Ruchi smiles, Sahil takes a bite of the samosa.
