I Like to explore adventurous things in my life. I like to travel all around the world by a ferry or ship rather than by air. The Greatest Thing is enjoying life which we dont do as we are running out for money to fullfill our needs and expectations. I wanted to Sail my dreams to the extent in designing career. Sea is the place where we can have the peace of mind...Sailing in the sea by a ferry or ship gives me more Happiness and Tends me to spend some more time to think about my passion. I was inspired by Titanic Movie which made me to **SAIL AWAY** to Design Garments For Adam And Eve To Present A Portfolio.....,
